Opened in 1994 as the City of Vaughan's first resource branch, the Bathurst Clark Resource Library is located right by the Promenade Mall. Noted as one of the quietest libraries on *Yelp!*, visitors can enjoy comfy seating, various study areas and diverse programming for all ages, including *Learn It!* where children's programming and technology is emphasized. You can discover the world of Virtual Reality, build a computer or create a stop motion movie!

The library's design features large windows to the north and south as well as clerestory windows with study alcoves on the east and west. The branch was the first of the larger resource libraries in the City of Vaughan, serving immediate residential and commercial areas with resources and programs for all users.
