## Kleinburg Library

Drawing by Lily

\*Colouring completed by: \_\_\_\_\_

Nestled beside the McMichael Canadian Art Collection, the Kleinburg Library is a cozy, community branch open to all. While touring the local restaurant and shops, feel free to pop in and use all the resources.

## Kleinburg Library

Drawing by Denise

\*Colouring completed by: \_\_\_\_\_

Kleinburg Library opened to the public in 1966 and has seen many alterations and renovations over the years. It has an attractive split-level design with a large basement programming space. The library also has floor-to-ceiling windows that let in the natural light and boasts an outside reading garden.
