5 Top Early Literacy Tips

Reading is the single best thing you can do to help your child be a lifelong learner!

Repetition is key. Every time you read the same book, your child gets something new out of it.

The very best book to read with your child is the one that they choose. You don't have to read every word.

Read with different voices and expressions. Your child will become more engaged almost immediately.

Children become more interested in reading if they see their parents reading. So let them see you read!

Circle how many books you have read already.

100 200 300 400 500
600 700 800 900 1000

Colour in a star each time you read a book together.

If you read the same book 100 times, it counts as 100 books!
