

WHAT'S ON

Library fun
all year round!

Welcome

Margie Singleton
CEO,
Vaughan Public Libraries

Welcome to the first What's On of 2025! The new year is a time when many of us make resolutions and aim to make positive changes in our lives and the lives of others. Whatever your goals, we're here to support you, and we hope that over the next twelve months, we'll be an excellent habit for your household!

If you are looking to show others you care this year, consider our Valentines for Vets initiative. Run by Veteran Affairs Canada, this program allows you to show your appreciation to current and past members of the armed forces and thank them for their service by writing them a Valentine card at your local library. This can kick off a full year of opportunities where you can give back to your community through VPL. You can always volunteer your time at several tutoring and mentoring opportunities, including Chess Club, Tech Training and ESL sessions. For a complete list of current positions, check out our volunteer page at vaughanpl.info/volunteer. We'll also be hosting several charitable drives throughout the year, so keep an eye out for them in the news section of upcoming issues of What's On.

If your aims for the year involve taking up a new hobby, or improving your skills, we have you covered! Our amazing collection can provide valuable information on any topic under the sun, while our programming provides insights into new topics and trends. So, how about you add a new resolution to your list? Discover something new at your library in 2025.

Margie
