Grand Opening Celebration of the VMC Express!

VAUGHAN, ONTARIO – Vaughan Public Libraries (VPL) is pleased to announce the official grand opening of the VMC Express on Tuesday, April 25th at 4:00 pm, and what better way to celebrate the first anniversary of VMC Library located on the second floor! VMC Express is the second of the two new libraries in the heart of Vaughan's new downtown core. The 400 square foot library is a self-service storefront conveniently located on Apple Mill Road, and its features and self-serve model make it a first of its kind in Vaughan.

Customers can enjoy street-level access to the newest titles and popular bestsellers and quickly pick up and return their items via automated check-in and check-out machines. With its extraordinary modern design and finishes, vibrancy and state-of-the-art technologies, VMC Express will surely attract commuters' attention in and out of the city. The Vaughan Metropolitan Centre Station and YRT bus terminal are a few steps away, making this an excellent access point for people on the go. It also provides convenience for local residents and complements the more extensive VMC Library on the second floor of the building.

"Vaughan Public Libraries is delighted to celebrate the grand opening of the VMC Express on the first anniversary of VMC Library," commented Margie Singleton, CEO of Vaughan Public Libraries. "This new library is the perfect addition to this growing community because it's equally exhilarating and sensational. Our vision for VMC Express was to ensure everyone who lives, works, or studies in Vaughan had easy access to our resources. By introducing this innovative branch, we can make using your library more convenient than ever!"
