### A New Lendery at Bathurst Clark Resource Library

**VAUGHAN, ONTARIO** – To capitalize on the success of Pierre Berton Resource Library's Lendery and to improve ease of access and help meet customer demand across Vaughan, a second Lendery is has been opened at the Bathurst Clark Resource Library.

Located in the Bathurst Clark Resource Library Marketplace, adjacent to the Customer Service Desk, this new Lendery will help even more of our customers save money, space, and time. The opening collection will consist of 53 items, including popular items such as a Little Green Deep Cleaner, a sewing machine, a karaoke machine, a hedge trimmer, and Giant Jenga. Also included are locally requested items such as an OBD2 Car Diagnostic Tool, a folding table, a golf practice net, and a Ninja CREAMi. The inventory for this second Lendery was developed by studying the circulation statistics for Pierre Berton Resource Library's existing Lendery as well as through customer feedback, which has been informally collected over the past two years.

Lendery items are available on a first-come-first-serve basis (no holds) and can be borrowed for 14 days. We have a wide variety of unique items that can be viewed in our [online catalogue](#).

To borrow from the Lendery, customers will need to:

- be 18 years or over
- have a valid VPL card
- complete a Lendery borrowing agreement with staff

We are also continuing to accept donations which will help build our Lendery inventory. If you have any gently used or new items you would like to donate to the Lendery, please call us at 905-653-7323 and ask to speak with staff at the Pierre Berton Resource Library or Bathurst Clark Resource Library to arrange a drop-off time.
