Virtual Science Fair at Vaughan Public Libraries

VAUGHAN, ONTARIO – Vaughan Public Libraries will be hosting their 2nd annual Virtual Science Fair from May 31st to June 30th. The Virtual Science Fair is open to participants in grades 3-12, and judging will be based on three age categories: Junior (grades 3-5), Intermediate (grades 6-8), and Senior (grades 9-12). Students may participate individually or as a group of up to 4 people.

Students are to prepare their projects in a digital format; this can be in a form of a poster, video, website, slideshow, skit or whatever their imagination comes up with, as long as it showcases their research on the topic. Prizes to be announced.

What's the topic? How can we have a positive impact on the environment and our home?

For further information and assistance, participants may reach us at tommy.sunthorn@vaughan.ca.

Participants may submit their projects at <https://www.vaughanpl.info/sciencefair/>
