### Everyday Heroines and Heroes

In books and movies, heroines and heroes often are larger-than-life superheroes. They do great deeds, sometimes have special powers, and often save the world from power-hungry maniacs, aliens or monsters.

In real life, heroines and heroes are often ordinary people who sometimes do small deeds or make sacrifices to help others.

Is there someone you know from your own life who is an everyday heroine/hero because of the things they have done to help others? It could be a one-time action, or a set of small ordinary actions that have a big impact over time. Fill out this chart, then write a paragraph or two about an everyday hero in your own life.
