

Frankenstein Collage

Use your imagination to create a collage of Frankenstein's face using the template on the second page.

Supplies Needed:

- Pencil
- Old magazines, newspapers, fabric, or other materials
- Glue

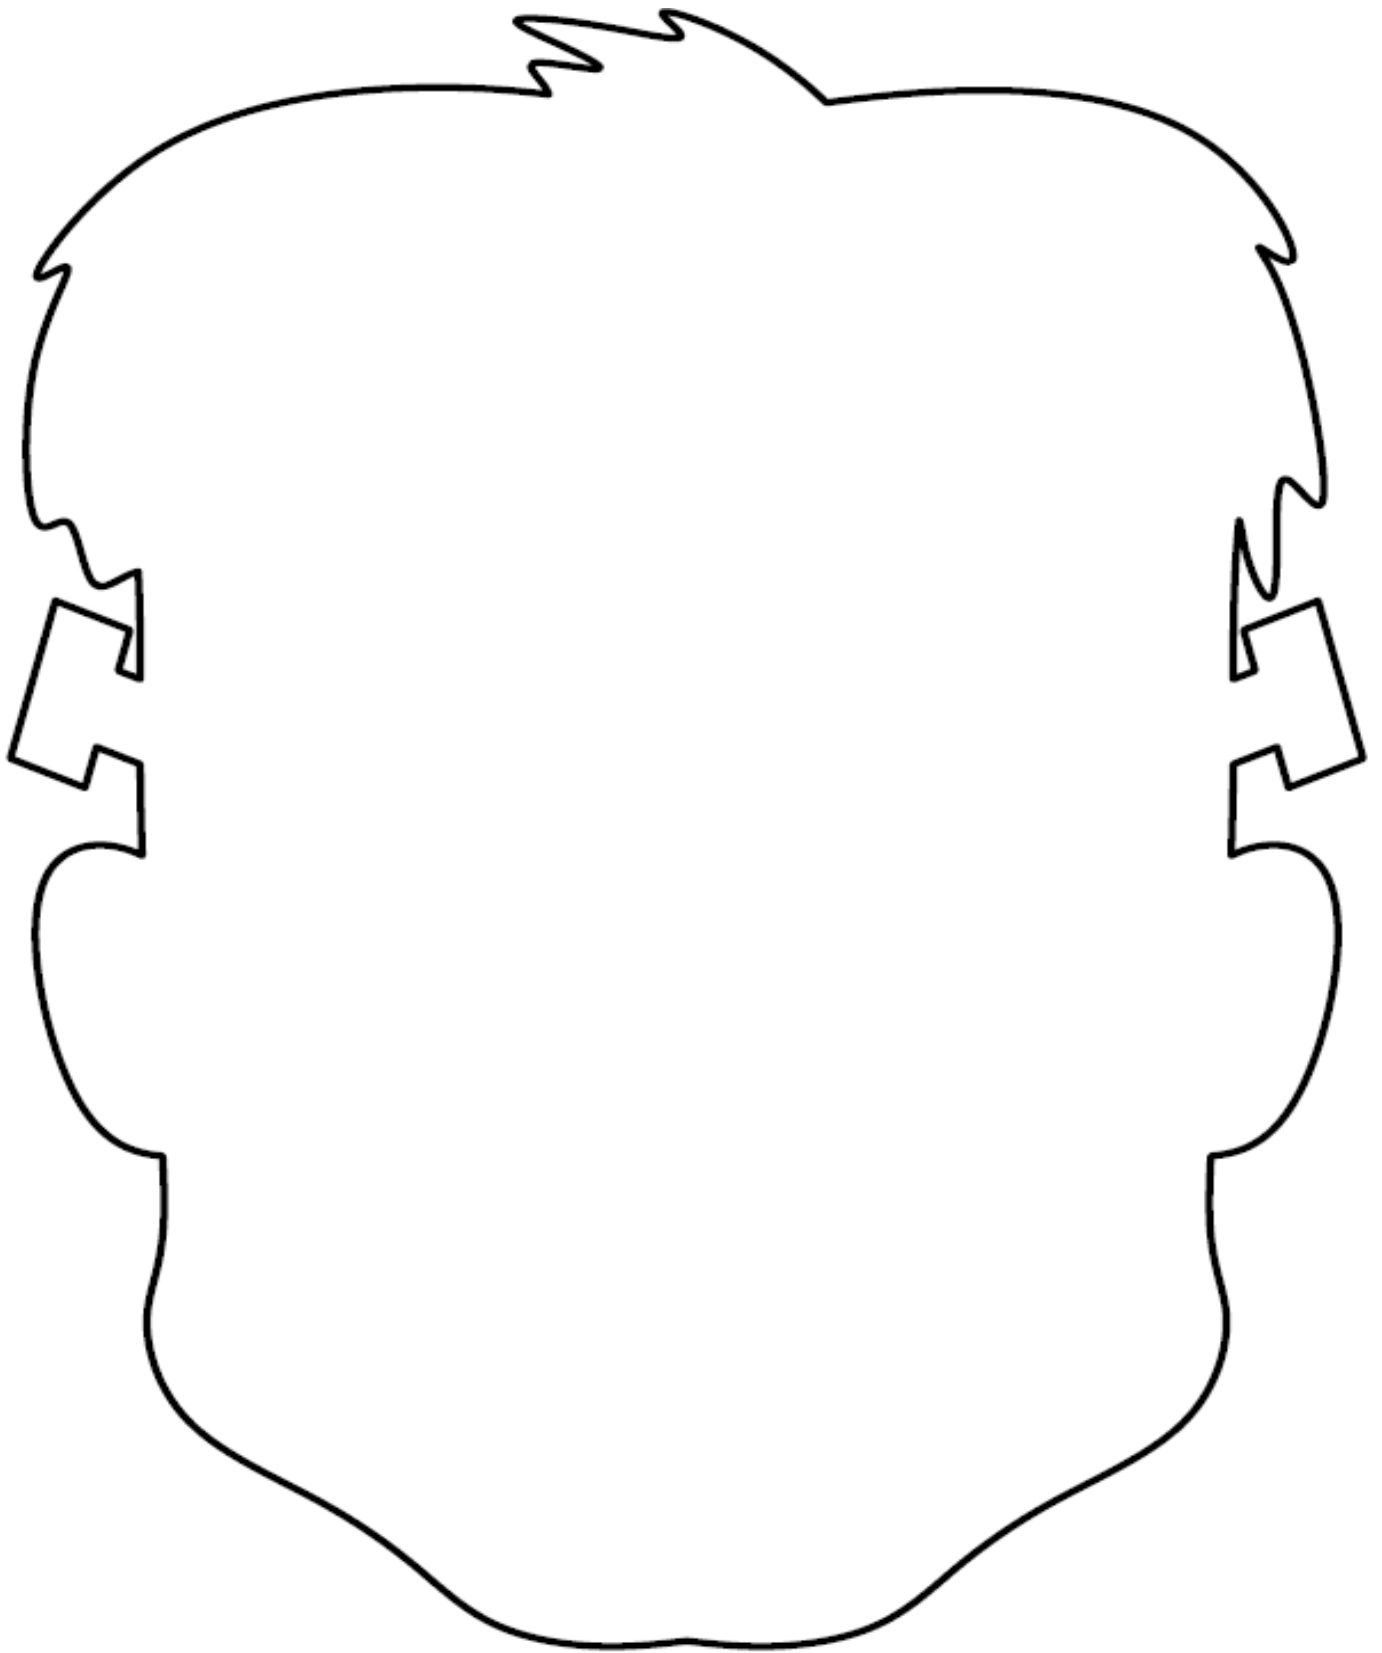

Directions:

1. Outline the face parts of the monster with a pencil and use them as a guide to build your collage
2. Cut out pieces from old magazines, newspapers, or other materials to put together all the parts of the monster's face.
3. Use different colours to create the parts of the face

What is a collage?

A piece of art created by combining and arranging pieces of different materials glued down on a surface base.
