

Frightening Salt Dough Ornaments

Create some frightening ornaments that can be used to decorate for Halloween.

Supplies Needed:

- 1 cup flour
- 1/2 cup salt
- 1/2 cup water
- Halloween cookie cutters
- Rolling pin
- Bowl & wooden spoon
- Baking tray
- Parchment paper
- Skewer
- Acrylic paint & paint brush
- String

Directions:

1. Preheat oven to 180°F.
2. Add flour, salt, and water to a bowl. Mix until it forms a dough. If it is a bit sticky add a bit more flour.
3. Put dough on a piece of parchment paper and use the rolling pin to roll out the dough.
4. Press the cookie cutters into the dough to make Halloween shapes.
5. Use a skewer to make a hole at the top of each Halloween shape. Ensure the hole is a bit bigger than the string you will use later to thread through the ornaments.
6. Transfer Halloween shapes to a baking tray lined with parchment paper.
7. Bake in oven for around 3 hours, turning over after 2 hours.
8. Remove from oven and let cool.
9. Decorate with acrylic paints.
10. Once the paint has dried, thread with string and hang your ornaments!
