(10 points)
- Approximately 24 small balls
(in 4 different colours)

Directions:

2. The three cups are placed in a triangle formation, with the 5-point cups on either side of the 10-point cup.
3. All players walk 4 giant steps away from the cups.
4. The youngest player goes first.
5. Each player takes turns tossing their balls into the cup until all balls have been tossed.

Safety Note: Always look before you toss!

Scoring:

5 points - for each ball that goes into a 5-point cup

10 points - for each ball that goes into the 10-point cup
