Directions:

1. Ask an adult to help you cutting one of the ends of the cheese slice into a zig-zag line to shape the teeth of the monster
2. Put the burger together by adding each of the ingredients into the following order:
 - bottom part of bun
 - spread mayonnaise on the bun
 - lettuce leaf (pre-washed)
 - burger patty
 - pickle slice to make the monster's tongue
 - cheese slice with the teeth part in the front
 - ketchup on the cheese slice above the teeth part
 - top part of bun
3. Place the toothpicks in the middle of the burger bun. Pin the bun, cheese slice, pickle slice and patty together with the toothpicks. Put the green olives on the top part of the toothpicks forming the eyes of the monster.
4. Feel free to add other ingredients and the modify the look of your monster burger to your preference.
