

Spider Web Challenge

Test your web spinning skills in this fun game.

Supplies Needed:

- Coat hanger
- String
- Spider
- Scissor

Directions:

1. Challenge someone to a race to make the fastest and most efficient spider web.
2. On your mark, get set, go!
3. Tie one end of the string to a coat hanger.
4. Weave the string across the coat hanger to make a web.
5. Once the web has been formed, cut the string and tie the end to the coat hanger.
6. Place the spider on the web and walk around the room having the coat hanger support the spider.
7. If the spider does not fall through the spider web, you've completed the challenge successfully.
8. First person to complete the challenge successfully wins.
