

The Creepy Pokey

(tune: "The Hokey Pokey")

You put your phalanges (fingers
and toes) in
You put your phalanges out
You put your phalanges in
And you shake them all about
You do the Creepy Pokey and you
turn yourself around
That's what it's all about!

You put your rib cage in
You put your rib cage out
You put your rib cage in
And you shake it all about
You do the Creepy Pokey and you
turn yourself around
That's what it's all about!

You put your skull in
You put your skull out
You put your skull in
And you shake it all about
You do the Creepy Pokey and you
turn yourself around
That's what it's all about!

You put your tibia (lower leg) in
You put your tibia out
You put your tibia in
And you shake it all about
You do the Creepy Pokey and you
turn yourself around
That's what it's all about!

You put your humerus (upper arm)
in
You put your humerus out
You put your humerus in
And you shake it all about
You do the Creepy Pokey and you
turn yourself around
That's what it's all about!

You put your skeleton in
You put your skeleton out
You put your skeleton in
And you shake it all about
You do the Creepy Pokey and you
turn yourself around
That's what it's all about!
